March 2017

Dear Norfolk schools,

The 3rd Annual Norfolk Innovation Awards – 8th June 2017

Firstly, thank you to all of the Norfolk schools who have participated over the past two years. The Awards were set up to *“celebrate the best and inspire the rest”* by rewarding the best examples of “STEM” in schools across Norfolk with awards sponsored by key local businesses in the Norfolk “cluster” and crucially to build ties between schools and the local economy.

Last summer, over 50 schools participated in the competition and the winners enjoyed a variety of prizes from a years pass to Banham Zoo for the young winner of the Junior School category, to a day’s experience at RAF Marham, a hands on day at Easton and Otley College and many other generous prizes offered by our sponsors to the students and to teachers.

Let’s make this year even bigger and better! I have attached details of this year’s eight categories and the nomination form. The information can be found on www.thenorfolkway.co.uk and click on the icon on www.wymondhamhigh.co.uk.

Thank you so much for your support.

Best wishes,

A handwritten signature in cursive that reads 'George'.

George Freeman MP
